

UNIVERSITY LEAD (NSW)

NSW CORE TEAM, TEAR AUSTRALIA

THIS ROLE IS FOR YOU IF:

- You have a heart for the world and issues of global poverty and injustice. You seek the kingdom of God, where all things will be made new
- You are an enthusiastic University student, keen to engage Christians on campus in responding to issues of poverty and injustice
- You are a strong communicator and storyteller
- You have a desire to learn more about leading people and shifting attitudes and perspectives around our call to the poor as Christians
- You have a heart for discipleship and journeying with others in Christ
- You are a team player, digital-native and fast learner
- You can volunteer a minimum of 4 hours per week over a 6-12 month period

HOW WE WILL EMPOWER YOU:

- We'll provide in-role training, giving you first-hand experience developing strategy and engaging Christians on-campus in responding to our call to the poor
- We'll champion your ideas and empower you to lead projects
- We'll give you the opportunity to learn more about TEAR's approach to development and from staff about our work in engaging the Australian church
- We'll support and mentor you in your role, and invest in your leadership

HOW TO APPLY

Simply fill in the application form to tell us why you'd like to join the NSW Core Team as the next University Lead with TEAR Australia.

ABOUT TEAR

TEAR is a Christian development, relief and advocacy organisation responding to global poverty and injustice. We are a thriving grassroots movement of Christians in Australia responding to God's call to bring an end to poverty. TEAR's creative and courageous initiatives not only enable the work of our international partners, but also bring about God's kingdom through changes in global systems of injustice and biblically-shaped lives here in Australia.

TEAR Australia's recruitment and selection procedures and checks reflect our commitment to the well-being and protection of children. We seek to be a diverse workplace, in which people of different backgrounds, genders and ages work together.
